

The FLAG Art Foundation is pleased to present two exhibitions: *One, Another*, a group exhibition curated by Stephanie Roach on the 9th floor and *Roni Horn, Double Mobius* an exhibition of sculpture and photography by Roni Horn, on the 10th floor. The exhibitions will be on view from June 29 through September 2, 2011.

### **One, Another**

Through painting, sculpture, photography and installation, *One, Another* explores coupling and interconnectedness in the realms of love, nature and spirituality. Historically *one another* is an abbreviation of the *one the other* and in that form was used only for two people. The clause *one another* reflects this reciprocal relationship and action between them. The separation of the two words by a comma emphasizes the distinction of a whole and its parts.

Emanating from the painting *The Lovers* completed in 1963 by Remedios Varo, the exhibition incorporates reoccurring motifs of mirrors, nature, cosmos and existential forces to investigate themes such as transformation, sexuality, love, narcissism and identity.

Featured artists include Diana Al-Hadid, Agnieszka Brzezanska, Louise Bourgeois, Joseph Cornell, Tom Friedman, Robert Gober, Subodh Gupta, David Hammons, Jim Hodges, Cindy Sherman, Swoon, Rachel Whiteread, Remedios Varo, and Fabio Viale.

The FLAG Art Foundation is an exhibition space for contemporary art. The program includes 3 to 5 professionally curated shows each year by established and emerging international artists. FLAG provides a unique educational environment in which visitors can view, contemplate, and engage in active dialogue with the artworks. Curators select and borrow from a variety of sources to include a wide range of work in each exhibition. FLAG is also a resource that facilitates loans of contemporary artworks to museums around the world.
